Moulin EVENTS & MEETINGS

THE MALT HOUSE CELLAR

The Malt House Cellar is located in the Centennial Malt House, home to Moulin Events, Vin de Set, PW Pizza, 21st Street Brewer's Bar & Grand Petite Market.

Originally used as the entry to the tunnels for the Schnaider Brewery, we have transformed the space into two exceptional private event spaces using the beauty of the century-old interiors.

The menu reflects the feel of the cellar; casual and comfortable.

Designed to deliver the distinctive ambience you have come to expect from Moulin and our sister restaurants, the Malt House Cellar is the premiere space for your rehearsal dinner, corporate event, social occasion or holiday party.
